RISK AND TITLE

1. The goods shall remain the sole and absolute property of the Company until such times as the buyer shall have paid to the Company the purchase price together with the full price that is outstanding of any other goods the subject of any other Contract between the buyer and the Company. The buyer acknowledges that he is in possession of the goods solely as Bailees for the Company until such time as the full price is paid thereof to the Company together with the full price outstanding of any other goods the subject of any other Contract between the Company and the buyer. The buyer agrees that until such time as he becomes the owner of the goods, he will store them in a manner which makes them readily identifiable as the goods of the Company.
